

Auburn Public Library's Book Covers Reimagined!

Submit your own, original redesign of a book cover for a chance to win a prize. Choose from one of these three titles:

People We Meet On Vacation, Emily Henry

Alex is quiet and studious, whereas Poppy is a wild child, and yet the two form a surprising friendship. Over the years, Alex and Poppy's lives take them in different directions, but every summer the two find their way back to each other for a magical week-long vacation. Until one trip goes awry, and in the fallout, they lose touch. Now, two years later, Poppy's in a rut. The answer to all her problems is obvious: She needs one last vacation to win back her best friend.

The Knight and the Moth, Rachel Gillig

Sybil is a Diviner. In her dreams, she receives visions from six unearthly figures known as Omens. She can predict terrible things before they occur. A mysterious knight arrives at the cathedral. Rude, heretical, and devilishly handsome, the knight Rodrick has no respect for Sybil's visions. But when Sybil's fellow Diviners begin to vanish one by one, she has no choice but to seek his help in finding them. For the world outside the cathedral's cloister is wrought with peril.

Mickey7, Edward Ashton

Mickey7 is an Expendable: a disposable employee on a human expedition sent to colonize the ice world Niflheim. After one iteration dies, a new body is regenerated with most of its memories intact. After six deaths, Mickey7 goes missing and is presumed dead. By the time he returns to the colony base, there's a new clone, Mickey8, reporting for Expendable duties.
